2. For your information...

2008 WILL SOON BE OVER and it's been a rough one! The recent rash of bank failings has left many people uneasy over the security of their investments now and in the future. You can find information on the banking industry at www.fdic.gov regarding topics such as the recent changes in deposit insurance from \$100,000 to \$250,000, bank rating services and identity theft and fraud.

The new year will be here soon! Have you reviewed your estate plan recently?

3. Now Presenting...

RECENTLY, on October 7, 2008, Michael presented to attorneys and paralegals at a McQuillan Education seminar on Estate Planning Basics at the Marriott in Phoenix. On November 20, 2008, he spoke again at the Marriott at a National Business Institute seminar on Drafting Effective Wills and Trusts. On the December 2, 2008, Michael will participate in the "Lawyers On Call" event sponsored in partnership by the State Bar of Arizona and Channel 12 KPNX, from 5-7 p.m.
